JOHN F. and CATHERAN S. MOENNING

JOHN F. MOENNING was born Dec. 18, 1841, on the Moenning Homestead in Jackson County, Ind. He died October 9, 1910. On March 18, 1868, he and

CATHERAN SUNDERMAN were married. She was born September 10, 1848, on the Sunderman Homestead in Jackson County, Ind. She died Nov. 20, 1905.

They had ten children: Elizabeth, Henry G., George, Fred, Edward John, William, Anna Elisa, Mary, Minnie, and Clara K.

In the following "Family Tree" Outline JOHN F. MOENNING is numbered 1; those numbered 2 (Second Generation) are his children; his grandchildren are numbered 3, his great-grandchildren 4, etc.

The Outline provides a "skeleton form" with which it is easy to see family relationships at a glance, but the page format of this booklet is too small to include much detailed information in the Outline.

On the pages following the Outline, the Family Groups of John F. Moenning's children are taken up separately (those numbered 2 in the Outline), and more details are given.

The figures at the right-hand side of the Outline pages are a Page Index, indicating where the respective persons are treated in further detail than it is possible to include in the Outline itself.

It is too much to expect that every one of the hundreds of names, dates, spellings, etc., in this booklet is exactly correct. We have done the best we could with the information we had.

Corrections, omissions, additions, etc., should be given to me promptly, in order that the "official record" may be may be made as nearly accurate as possible. Your assistance will be appreciated.
